# Unfold and Install

# Unfold and Install

**1. Use the carrycot: Opening the zipper inside the carrycot. exposing the bottom of the two sides of the support rod and toward to both sides of the carrycot. The end is pushed forward, so that it is fixed on the bottom of the carrycot, and then the cotton pad is put on the carrycot, then pressing the adjustment buttons on both sides, so the canopy is opened. Finally, attaching the carrycot adaptors to both sides of the frame, and installing the carry cot on the adapter (as shown in the picture). The "clicking" sound indicates the installation is in place. When the carry cot needs to be removed, pressing the buttons on both sides of the basket with both hands and pulling it up. To remove the adapter, pressing the adapter button and pull it up.**

**Attention:**

- 1. This product is only suitable for children who are not yet able to stand on their own.**
- 2. Only suitable for solid, horizontal dry road surfaces.**
- 3. The child's head should be higher than his body in the carrycot.**
- 4. Make sure the handle is in the correct position before carrying or lifting.**
- 5. Carrycot must be Used in conjunction with the adaptors.**
