Fig5

Fig6

Crib mode

7.The crib has 5 different height which can be adjusted by pressing the buttons on the legs and adjusting up or down as necessary .
The crib can be tilted to a maximum of two different positions to raise the head end which helps with acid reflux . Fig 7.

NOTE Never use the crib with the foot end higher than the head end.

NOTE When adjusting the height ,It's advisable to adjust one leg one position at a time and repeat for the other side .

8.To remove the drop side rail .undo the zip, press the button located on the underside of the rail and pull outside of the rail and pull out wards ,
Secure the drop side bar by using the press stud on the side of the crib Fig 8.

9.The feet can be adjusted by pressing the buttons and adjusting as necessary

NOTE: Always use the feet fully extended whenever possible for maximum stability

Swing Mode - Manual

12.Spin the button to "ON position" , you can swing the top main frame as necessary.The maximum degree of swing is about 8 degrees .

Noted: using the swing mode just only in the height position .

When disabling the swing function, you must be in the parallel state then spin the button to "OFF position".

Low Position Mode

13. Release the button and zip around the main fabric .Fig 13

Bed Side / Co Sleeper Mode

10. Attach the ends of the fixing belt to the clips on each side of the crib. Fig 10.

11. The bed fixing belt should go between the top of the base of the bed and the bottom of the bed mattress .Position the plate on the opposite side of the bed vertically and pull the loose end of the strap to take up only slack so that the crib is pulled next to the adult bed .Fig 11 .

Fig 10

Fig 11

WARNING!

Before every use always check to make sure there is no space between the parents mattress and the side of the co sleeper.

If any space is found, pull the belts firmly to tighten until there is no space left and the correct position has been restored.

Only suitable for beds with straight sides.

Not suitable for beds with round mattresses or water beds.

When the product is used in the bedside sleeping mode, it should always be fitted to the long side of the bed.

Do not fix the co sleeper to the head or bottom of the bed.

Mattress and frame aligned

CORRECT
Bed frame and mattress in line

Protruding frame

INCORRECT
Bed frame and mattress not in line

Never use the Crib in co sleeping mode without the anchor plate.
Ensure the plates are securely attached to the adult bed.

SAFETY HINTS \ INSTRUCTIONS OF USE \ WARRANTY & GAURANTEEE GUIDELINES

1. Please read this User Guide thoroughly before using this product. If you are not sure on any point in this guide please consult with the sales person whom sold you this product or contact Chelino on 0118352520. Our offices hours are Monday to Thursday from 9:00 am to 13:00 pm and 14:00 pm to 16:30 pm and Fridays from 9:00 am to 12:00 pm and 14:00 pm to 16:30 pm. Our offices are closed on Saturdays, Sundays, Public holidays and for three weeks during the December/ January festive season. We are situated at 12 Kimberlite Road, Theta Ext, Booy-sens Reserve, 2091, Johannesburg, Gauteng, RSA.

2. To avoid suffocation or swallowing or any other illness, please keep all packaging which have been removed from parts wrapped in the box away from infants, toddlers, children or any other living being. Please carefully dispose of the unwanted packaging once this product is fully assembled and you are satisfied with your purchase.

3. Please make sure that you are entirely satisfied with your purchase before removing the warning card attached to this product and before using this product. Once the warning card has been removed and if this product has been used we will not accept the return of this product.

4. If you are not entirely satisfied with this product purchased, please disassemble this product and re-pack it in the original packaging and return it to the store you purchased it from together with the proof of purchase. Depending on the stores policy, you will either be entitled to a replacement product, a credit voucher or a refund. This depends on the stores policies.

5. If you are not entirely satisfied with the assemble of this product or if you are not 100% sure that you have assembled this service. Chelino will not take any responsibility if this product is incorrectly assembled thus causing any sort of injury to the user or the child. Alternatively you can contact Chelino directly on 0118352520, our offices hours are Monday to Thursday from 9:00 am to 13:00 pm and 14:00 to 16:30 pm and Fridays from 9:00 am to 12:00 pm and 14:00 pm to 16:30 pm. Our offices are closed on Saturdays, Sundays, Public holidays and for three weeks during the December/ January festive season. There is a charge for the assembly of any product. If you require a Chelino representative to assemble this product you will have to bring this product to our offices which are situated at 12 Kimberlite Road, Theta Ext, Booy-sens Reserve, 2091, Johannesburg, Gauteng, RSA.

6. Please note, that any repair which will need to be made to this product must be done at the Chelino workshop which is situated at 12 Kimberlite Road, Theta Ext, Booyssens Reserve, 2091, Johannesburg, Gauteng, RSA. Our office hours are Monday to Thursday from 9:00 am to 13:00 pm and 14:00 pm to 16:30 pm and Fridays from 9:00 am to 12:00 pm and 14:00 pm to 16:30 pm. Our offices are closed on Saturdays, Sundays, Public holidays and for three weeks during the December/ January festive season. We do not provide any loan\courtesy products while your product has been sent in for repairs. Chelino requires 7 working days to repair any product, but this lead time may vary

depending on the transportation of the product too and from yourself. Once the warranty card is detached from this product and once this product is used even if used once and if there is a fault, this product will need to be sent to the Chelino Workshop for the repair and no refund\credit\exchange will be allowed. Only a Chelino representative can decide whether the product needs to be replaced\credited\exchanged.

7. Once you are satisfied with the assembly of this product and have read this instruction and agree to the terms stated and are ready to use this product, please ensure that all safety locks are engaged to ensure safe use of this product.

8. Never leave the child unattended or without parent\guardian supervision while in this product, as injury could be caused by other parties intentionally or unintentionally.

9. Never lift or wheel this product while the child is in it. This can cause this product to fold and thus causing injury to the child seated in this product. When confronted with a staircase, no matter how many steps there are, please use the alternatives or remove the child from this product before using the staircase.

10. This product including rails must be fully erected prior to use. Rails must be locked in the upright position.

11. Make sure latches are secure.

12. Do not use this product if the enclosed or attached assembly cannot be strictly adhered to. Do not place cords, straps or similar items that would harm the child. Ensure that the sides are properly latched or

locked in place when this product is in use.

13. When a child is able to sit, kneel or to pull itself up, the product should not be used anymore for this child

14. Do not place pads or other objects inside this product that may assist the child in climbing out.

15. This product is intended for use for babies height between 40cm to 56cm.

16. Do not place this product near to a window where cords from blinds or drapes can strangle a child.

17. Do not use this product if any parts are broken, torn or missing.

18. Do not use a water mattress in this product.

19. Never use plastic bags or cellophane as a mattress cover. This can cause suffocation.

20. This product is designed for the use of only one child. This product cannot accommodate more than one child.

21. Always engage the brake when you are not using this product. Please note, by applying the brake one still cannot leave the child unattended and without parent supervision. If the brake is not engaged properly the product will move.

22. Prevent and do not allow any child to climb on to any part of this product. This imbalance of weight can cause this product to topple thus causing injury.

23. Storage compartments are there for convenience and are not suitable for holding large or heavy objects. These areas are also not waterproof or leak proof and spillage can occur.

24. If this product is provided with a mosquito net, please ensure that it is correctly fitted to avoid suffocation.

25. Chelino takes no responsibility and will not be held liable for any damage or injury caused by using this product or if this product is used for any other purposes other than its intended purpose.

26. Please note, there are no warranties or guarantee on any fabric or on the mobile units of this product.
