SAFETY HINTS\INSTRUCTIONS OF USE \ WARRANTY & GAURANTEE GUIDELINES

1. Please read this User Guide thoroughly before using this product. If you are not sure on any point in this guide please consult with the sales person whom sold you this product or contact Chelino on 0118352520. Our offices hours are Monday to Thursday from 9:00 am to 13:00 pm and 14:00 pm to 16:30 pm and Fridays from 9:00 am to 12:00 pm and 14:00 pm to 16:30 pm. Our offices are closed on Saturdays, Sundays, Public holidays and for three weeks during the December/ January festive season. We are situated at 12 Kimberlite Road, Theta Ext, Booysens Reserve, 2091, Johannesburg, Gauteng, RSA.
2. To avoid suffocation or swallowing or any other illness, please keep all packaging which have been removed from parts wrapped in the box away from infants, toddlers, children or any other living being. Please carefully dispose of the unwanted packaging once this product is fully assembled and you are satisfied with your purchase.
3. Please make sure that you are entirely satisfied with your purchase before removing the warning card attached to this product and before using this product. Once the warning card has been removed and if this product has been used we will not accept the return of this product.
4. If you are not entirely satisfied with this product purchased, please disassemble this product and re-pack it in the original packaging and return it to the store you purchased it from together with the proof of purchase. Depending on the stores policy, you will either be entitled to a replacement product, a credit voucher or a refund. This depends on the stores policies.
5. If you are not entirely satisfied with the assemble of this product or if you are not 100% sure that you have assembled this product correctly, please take this product back to the store you purchased it from and request for some assistance in checking if the assembly is correct or get this product assembled. Depending on the store's policy, there could be an extra charge for this service. Chelino will not take any responsibility if this product is incorrectly assembled thus causing any sort of injury to the user or the child. Alternatively you can contact Chelino directly on 0118352520, our offices hours are Monday to

10. Never lift this product while the child is in it. This can cause this product to fold and thus causing injury to the child seated in this product. When confronted with a staircase, no matter how many steps there are, please use the alternatives such as an elevator/lift or ramp or remove the child from this product before using the staircase.
11. Never allow the child to stand on the seat of this product. This can cause this product to fold and thus causing injury to the child. The child can also fall out of this product causing injury to him/herself. This can also cause damage to structure of this product.
12. This product is designed for the use of only one child. This product cannot accommodate more than one child.
13. Always engage the brake when you are not using this product. Please note, by applying the brake one still cannot leave the child unattended and without parent supervision. If the brake is not engaged properly the product will move.
14. Take special care when adjusting the backrest if the child is seated in this product. It is preferred to select the desired backrest position before seating the child in this product.
15. Prevent and do not allow any child to climb into this product or hang onto the handle bars or any other part of this product. This imbalance of weight can cause this product to topple thus causing injury.
16. Do not hang or place any diaper bag or shopping bags or any other item over the handle bars or canopy of this product. This weight can cause damage to this product and also cause this product to fold or topple.
17. Storage trays/storage compartments/cup holders are there for convenience and are not suitable for holding large amounts of liquids (hot or cold) or heavy objects. These areas are also not waterproof or leak proof and spillage can occur.
18. The storage basket situated underneath the seat can hold a maximum weight of 1.5kgs. Do not place any items heavy than 1.5kgs and items which do not fit in this basket as this will hamper the performance of this product.
19. This product is fit to carry a child weighing no more than 15kgs.
20. This product was designed to be used on smooth surfaces and in average weather climates. Do not use this product on rough terrains and uneven surfaces and in extreme weather conditions. Using this product in the undesired terrains and weather conditions

NOTE

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There are approximately 20 lines visible. The paper appears to be a standard notebook page or a sheet of stationery designed for writing.
